Hilarious Halloween!

One Halloween night Jimmy and his sister Lucy were trick-or-treating on their street and came to a old spooky house. Lucy said, "There's no way I am going in there!" but Jimmy was a dare devil and said, "Let's go there!"

Then Jimmy said to Lucy, "Don't be scared it's only an old house." Lucy said okay to that and followed Jimmy up the path. The door creaked open, and they found themselves in a dusty room. At the far end of the room was a staircase where Ted, Fred, and Ed were sitting.

Who are they? We do not know. Why ask us? It's not like we are the people who wrote this story, ...are we?

Ted, Fred, and Ed... BOOO!!!!

The End!
